---

**Objective:** Motivated and detail-oriented Bachelor of Computer Applications (BCA) student with hands-on experience in web development projects and a keen interest in data analytics and emerging technologies. Seeking an entry-level role where I can apply my technical skills, grow as a professional, and contribute to innovative solutions in a collaborative team environment.

---

## Skills

- **Programming:** C, C++, JavaScript, Python
- **Web Development:** HTML, CSS, JavaScript (DOM Manipulation, API Integration)
- **Analytics:** MS Excel
- **Libraries:** NumPy, Pandas (basic usage), OpenWeatherMap API
- **Tools/Platforms:** VS Code, GitHub, Coursera

---

## Key Projects

### [Food Recipe Website](#) (April 2025)

- Designed and developed a responsive food recipe website as part of academic training.
  - Implemented interactive features like recipe search, filtering, and category display using JavaScript.
  - Focused on user-friendly layout and visuals to improve user experience.
- Tools:** HTML, CSS, JavaScript

### [Audify](#) (March 2025)

- Developed a basic music streaming clone inspired by Spotify, showcasing top 20 songs of Karan
  - Implemented custom audio controls including play, pause, next, and previous using JavaScript.
  - Designed a responsive layout with album cover display and song list.
- Tools:** HTML, CSS, JavaScript

### [Weather App](#) (February 2025)

- Built a weather forecast web application that shows real-time weather data using OpenWeatherMap API.
  - Included features like city-wise weather search, temperature, humidity, and wind speed display.
  - Used clean UI design and JavaScript to fetch and display dynamic data.
- Tools:** HTML, CSS, OpenWeatherMap API

---

## Certifications

- [Google Digital Marketing & E-commerce](#)– Coursera | May 2025
- [Create a Budget with MS Excel](#)- Coursera | May 2025
- [Introduction to Data Analysis using MS Excel](#)- Coursera | May 2025

---

## Education

### **Bachelor of Computer Applications**

SCVB Govt. College Palampur | 2025

---

## Interest

Data Analytics | Machine Learning | Ethical AI | Learning by Building
